Tony Odarg September 12, 2020

The priest who was single-handedly responsible for my discovery of Traditional Catholicism via the Sedevacantist position, has died. I have already done a post on this topic here (archived here), which talks about my feelings on his impending, now real, passing. I ask everyone to offer up prayers, rosaries, sacrifices and masses for the repose of his soul and that God, in his infinite mercy, will grant him immediate and eternal beatitude with the saints and angels in heaven.

God be with you.
